Dear Parents/Guardians,

Schedule and Scope of Holistic Assessment for Primary Six (Term 2)

Please refer to the schedule appended for the dates and scope of assessment for Term 2.

Special considerations for absentees

If your child is absent for the WA/EYE, he/she needs to produce a valid medical certificate or any official documentation to account for the absence in order to take the paper on another day.

Type of Assessment	Special considerations for absentees
EYE	To take the paper on another day during the examination period for the level, up to one day after the last paper of the level
WA (e.g. Topical Quiz / Performance Task)	To take the WA within 3 school days from the date of the WA

Academic Conduct, Integrity and Responsibility

Integrity and responsibility are our school's core values. Commitment to the highest standards of academic conduct and integrity is expected of every student. Students caught cheating or attempting to cheat will be deemed to have committed a disciplinary offence and will be awarded a zero for the paper. We believe that our students are able to take responsibility for managing their own learning. Thank you for being partners with our teachers to make learning joyful and engaging for your child in Hong Wen.

For more information on our School-Based Assessment (SBA) Policy, you can refer to the letter dated 17 Jan 2024.

Please feel free to contact your child's subject teachers if you need any clarification.

Yours sincerely,

Mrs Theresa Hong

Principal
