Dear Parents / Guardians,

On behalf of Hong Wen School Parents Support Group (HWS PSG), I warmly welcome you to our Hong Wen Family. I am very glad to have you join us in this vibrant and exciting school year ahead as your child embarks on his/her primary school journey.

The PSG, consisting wholly of volunteering parents/guardians, has close partnerships with the school to co-create an enriching and fulfilling learning environment for all our students in HWS. Our vision is to have a **Happy, Healthy and Loving Hong Wen Family**.

Research has shown that family engagement in schools improves student achievement, reduces absenteeism, and enhances parent-child relationships. Students with involved parents/guardians perform better in their learning, have better social skills, and show improved behaviour.

As parents/guardians, we strive to provide our children with a nurturing environment, enabling them to grow holistically and more importantly, to have fun while building a strong foundation for their future. We believe that PSG plays an important role to build a strong parent-school partnership to ensure that our children can successfully navigate the road ahead. At this juncture, I would like to encourage you to take an active role in your child's education by participating, contributing, or volunteering, in any way you can, in the many activities/events lined up for the year.

To start off, we invite you to complete our survey form at <https://go.gov.sg/hwspsgsurveyform> or scan the QR code below by **21 November 2025**. This will allow us to connect with you and add you to the **WhatsApp Chat Group(s) that PSG has created for our new P1 parents/guardians**. You can expect to see **useful information and updates** on key school and PSG events, offering you **opportunities to participate in, volunteer and contribute to**, and witness your child's learning experiences.

Thank you very much for being part of our big PSG family and I look forward to your contributions and participation in our various PSG activities. I wish you and your child a fulfilling 2026 and a memorable primary school education journey ahead. Should you have any queries, feel free to reach out to us at hongwenparents@gmail.com.

Yours sincerely,
Lee Jorwe,
(HWS PSG Chairman)
