HWS/23/19

25 January 2023

Dear Parents/Guardians,

Assessment of Learning Outcomes – Primary 1

The school is committed to nurture the joy of learning in our pupils by ensuring effective teaching and learning takes places so that our pupils learn and develop skills for life.

The school uses a wide repertoire of strategies to engage the pupils throughout the year. Performance tasks, quizzes, bite-sized milestone checks as well as daily work in class which focus on learning for mastery of skills and concepts are used to determine pupils' progress and development. These assessments are filed in the Holistic Development Portfolio which captures your child's learning progress and is used during the Parent-Child-Teacher-Conference to affirm your child's strengths and to address ways to close his/her learning gaps.

As these tasks, quizzes and milestone checks are developmental in nature, no marks will be reflected in the Holistic Development Profile (HDP). The school will use subject-specific Learning Outcomes (LOs) for the purpose of reporting pupils' learning progress and they are reflected in the appended assessment plans. The LOs and qualitative descriptors will be reported in the HDP at the end of each semester as feedback to pupils and parents for learning.

We believe that our pupils are able to take responsibility for managing their own learning. Thank you for being partners with our teachers to make learning joyful and engaging for your child in Hong Wen.

Please feel free to contact your child's subject teachers if you need any clarification.

Yours sincerely,

Mrs Theresa Hong
Principal
